Greetings,

Under the Freedom of Information Act, 5 U.S.C. subsection 552, I am requesting information or records on a document titled, "Analysis and Assessment of Gateway Process." I would like a release of the entire document in-full, including Page 25.

I previously filed a FOIA request with the Central Intelligence Agency (F-2020-01656), who curates a copy of this document. They are unable to provide Page 25 of this document and do not have it in their collection. This document originally belonged to INSCOM.

If there are any fees for searching for, reviewing, or copying the records, please notify me before processing if the amount exceeds \$10.00.

I am not going to be using this material in a commercial venture, and will make it available publicly at my own expense. I also believe this document is historically important in human understanding of consciousnesses, therefore it is in the public interest to be released in-full. Because of those circumstances, I request a full waiver of the FOIA fee.

If you deny all or any part of this request, please cite each specific exemption you think justifies your refusal to release the information and notify me of appeal procedures available under the law.

If you have any questions, I am best reached via email at inscomfoia202001@visr.me. This is a spam-protected email that will forward to my primary account.

Thank you for your assistance,

Davis Remmel
