Dear Mr. Rimmel:

On 23 June 2020, the Office of the Information and Privacy Coordinator received your 22 June 2020 correspondence requesting records under the Freedom of Information Act (FOIA). This is a quick acknowledgement to advise you that we received your request for **release of the entire document "Analysis and Assessment of Gateway Process."** Your request has been assigned the reference number above. Please use this number when corresponding so that we can identify your case information easily.

Please be advised that our version of the document referenced in your request also does not contain the missing page, and we do not have a copy on record that contains the page you are seeking. If you have not already done so, you might consider submitting a FOIA request to the Department of the Army, U.S. Army Intelligence and Security Command (INSCOM), in the hope that they have an original copy of the document that includes the missing page. When submitting the request to INSCOM, please utilize the document's title, rather than the ESDN number provided in your request to CIA. The Department of the Army FOIA Office has the following address:
