Commented on issue #12 "Observation (specific) page" at stack41 / iot-appliance	3 11101
This one actually is going to be worked on in the same issue branch as #11 (closed), because they kind of go hand-in-	
hand.	
<u>Davis Remmel</u> @davis	3 mor
Commented on issue #12 "Observation (specific) page" at stack41 / iot-appliance	
l'm taking this on because 11 is almost ready to move on.

Commented on issue #36 "Add ability to understand wear on Optane" at stack41 / portal	
Yeah, I think that falls under Portal, since it's a data-collection thing. I can investigate that.
